ASX Announcement

A\$2.6m Counter Small Uncrewed Aerial System Order from Defence

Key highlights:

- **New A\$2.6m Counter Small Uncrewed Aerial System contract received from Defence.**
- **Expanding into Counter Small Uncrewed Aerial Systems represents an exciting broadening of HighCom's product solutions.**

HighCom Limited (ASX: HCL) (HighCom) is pleased to announce that it has received an order from the Australian Department of Defence ('Defence') to supply Counter Small Uncrewed Aerial System products.

Working with internationally recognised and proven Counter Uncrewed Aerial System providers, this order demonstrates HighCom's commitment to solving Defence's capability needs through understanding, innovating, and identifying industry's best solutions.

HighCom's Chief Executive Officer Mr Todd Ashurst commented:

"We are proud to announce this important milestone, which reflects our long-standing commitment to 'protect and sustain' those who serve. The award of this contract by the Department of Defence not only recognises the strength and innovation in counter-drone technologies we can provide, but also reinforces the strategic importance of these capabilities in supporting national defence priorities."

This ASX announcement has been authorised for release by the Board.
